****New Photography Book Release: "Our Streets: Portland's George Protests" by Sai Stone****

[Portland, 1.21.24] — Portland photographer Sai Stone is thrilled to announce the launch of their latest work, "Our Streets: Portland's George Protests," a visually stunning collection of photographs capturing the essence of one of the most impactful social movements in recent history. The book is now available on Amazon (amazon.com/dp/B0CSS2VMYF).

Capturing the raw emotions and powerful moments of the George protests in Portland, "Our Streets" is a visual journey through the heart of the protest. Sai Stone skillfully presents a narrative using the lens of his camera, allowing readers to experience the protests in a unique and compelling way.

Key features of "Our Streets: Portland's George Protests" include:

- Striking black-and-white and color photographs that encapsulate the intensity and passion of the protests.
- A powerful visual chronicle of the key events and iconic moments that defined the protest.
- An intimate portrayal of the diverse voices and faces that contributed to the protests.

This photography book serves as a testament to Sai's artistic prowess and his ability to capture the pulse of social and political movements. Each image in "Our Streets" tells a story, providing viewers with an opportunity to reflect on the collective call for justice and change.

"I believe in the power of images to evoke emotions and inspire change. 'Our Streets' is my visual tribute to the resilience and strength of the individuals who took to the streets to demand justice," says Sai Stone

Readers and photography enthusiasts can acquire "Our Streets: Portland's George Protests" on Amazon (amazon.com/dp/B0CSS2VMYF).
